

## **GROWTH OF SCC SINCE THE 2<sup>ND</sup> WAVE**

2021

**Christ The King Parish Church**

## **HISTORY OF THE FORMATION OF SCC/BCC**

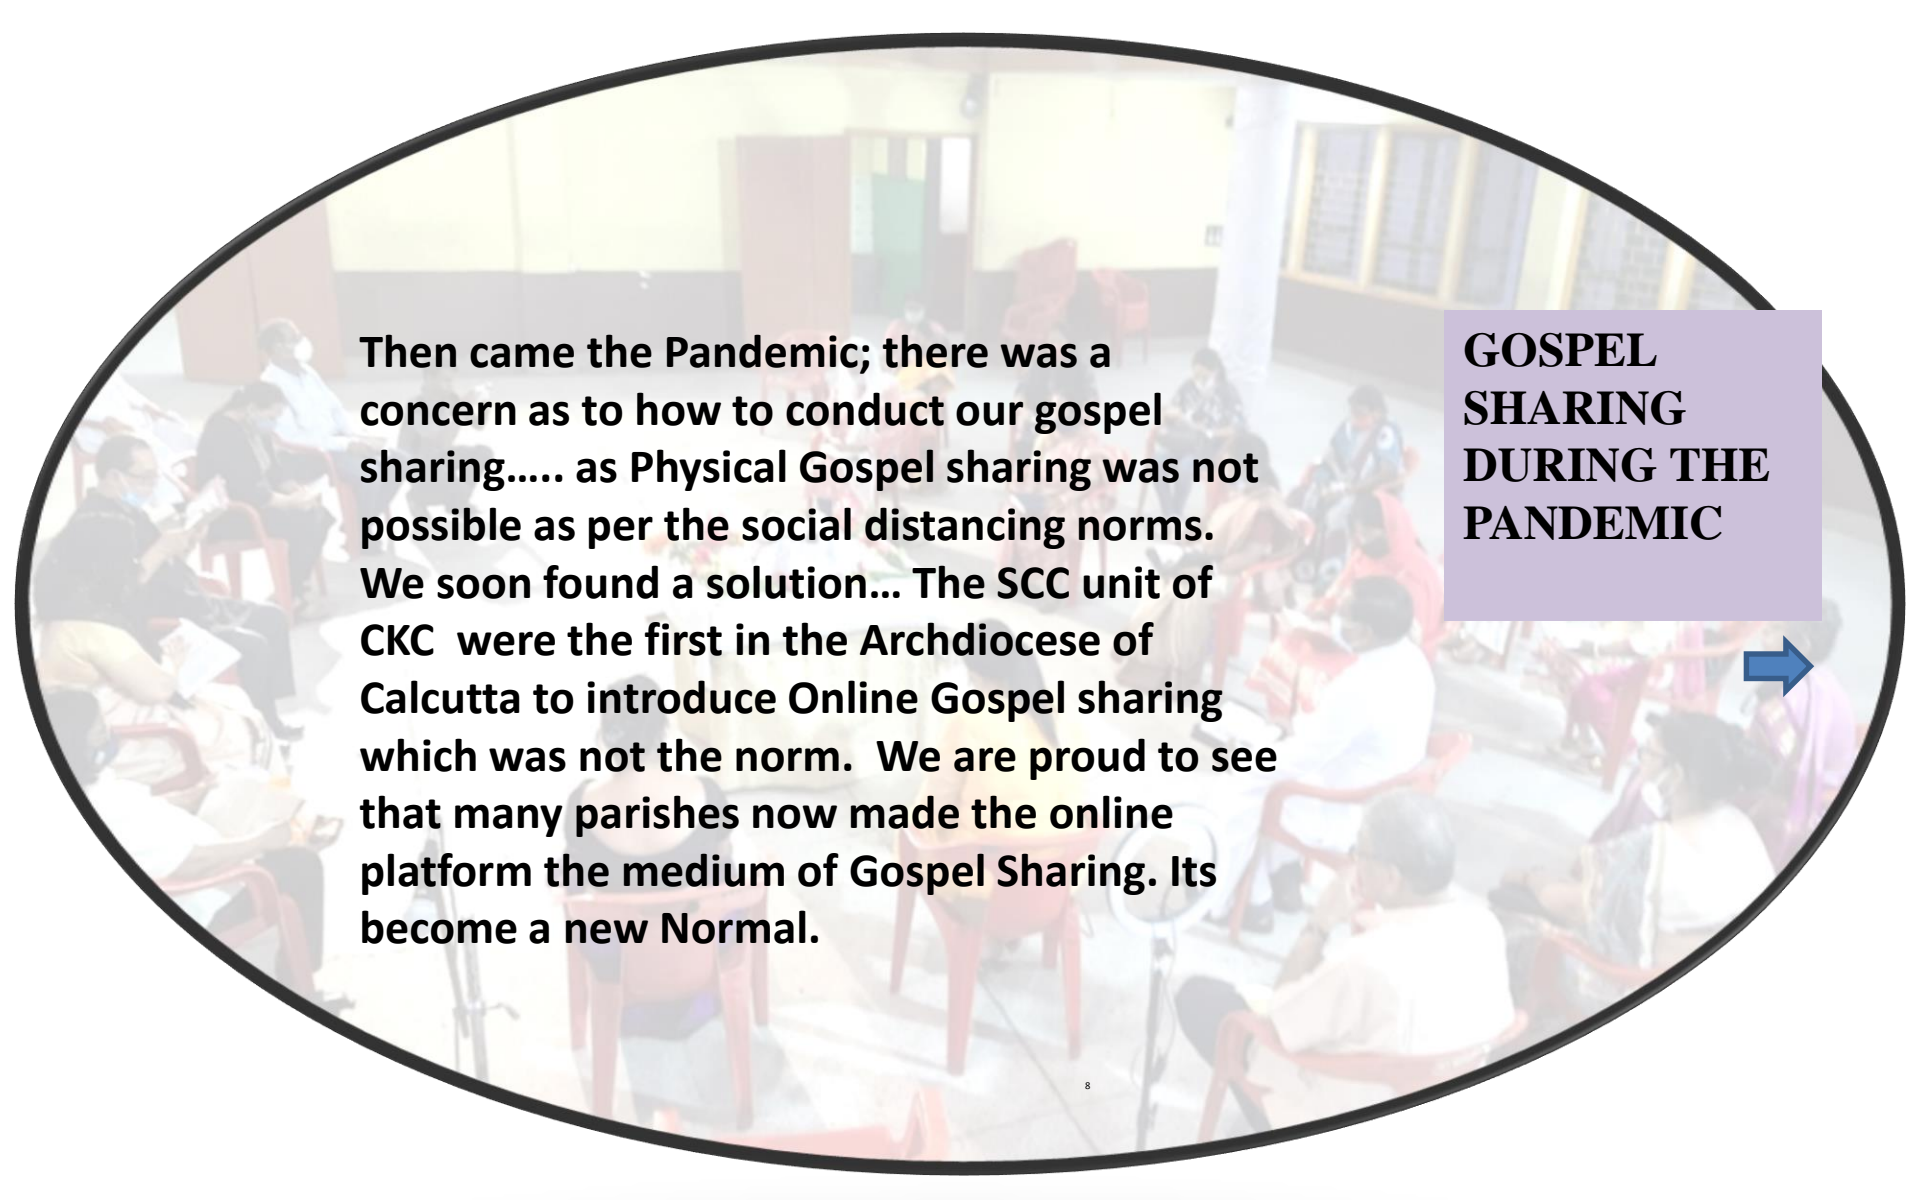

**The formation and operations of Small Christian Communities (SCC) in the Archdiocese of Calcutta started way back in 1989.**

**A concentrated and MORE intensive drive for THE "Formation of Small Christian Communities (SCC) in all parishes of the Archdiocese of Calcutta" was carried out from April 2007 onwards by holding various animation programs in the parishes.**

The background image shows a large group of people, mostly men, seated in a large hall or auditorium. They are arranged in rows, facing towards the front of the room. The people are dressed in a variety of clothing, including traditional Indian attire like kurta-pajamas and shawls, as well as more formal Western-style shirts and trousers. The hall has a high ceiling and large windows in the background. The overall atmosphere appears to be one of a formal gathering or conference.

## TO BEAR GOOD FRUIT

**The efforts towards revitalisation of SCC bore good fruit at the time of the SCC National Hindi Convention on the theme of 'Prophetic Role of SCC' hosted by the Calcutta Archdiocese from 25<sup>th</sup> to 27<sup>th</sup> October 2019. This convention was attended by **2950** delegates from 51 dioceses around the country. The Convention ignited a FIRE into each ones heart.**

A group of people are seated in a church hall, some wearing face masks. The scene is dimly lit, with light coming from windows in the background. The people are arranged in rows, facing towards the front of the hall. Some are looking at papers or books, while others are looking towards the front. The atmosphere appears to be one of a formal gathering or service.

**Then came the Pandemic; there was a concern as to how to conduct our gospel sharing..... as Physical Gospel sharing was not possible as per the social distancing norms. We soon found a solution... The SCC unit of CKC were the first in the Archdiocese of Calcutta to introduce Online Gospel sharing which was not the norm. We are proud to see that many parishes now made the online platform the medium of Gospel Sharing. Its become a new Normal.**

## **GOSPEL SHARING DURING THE PANDEMIC**

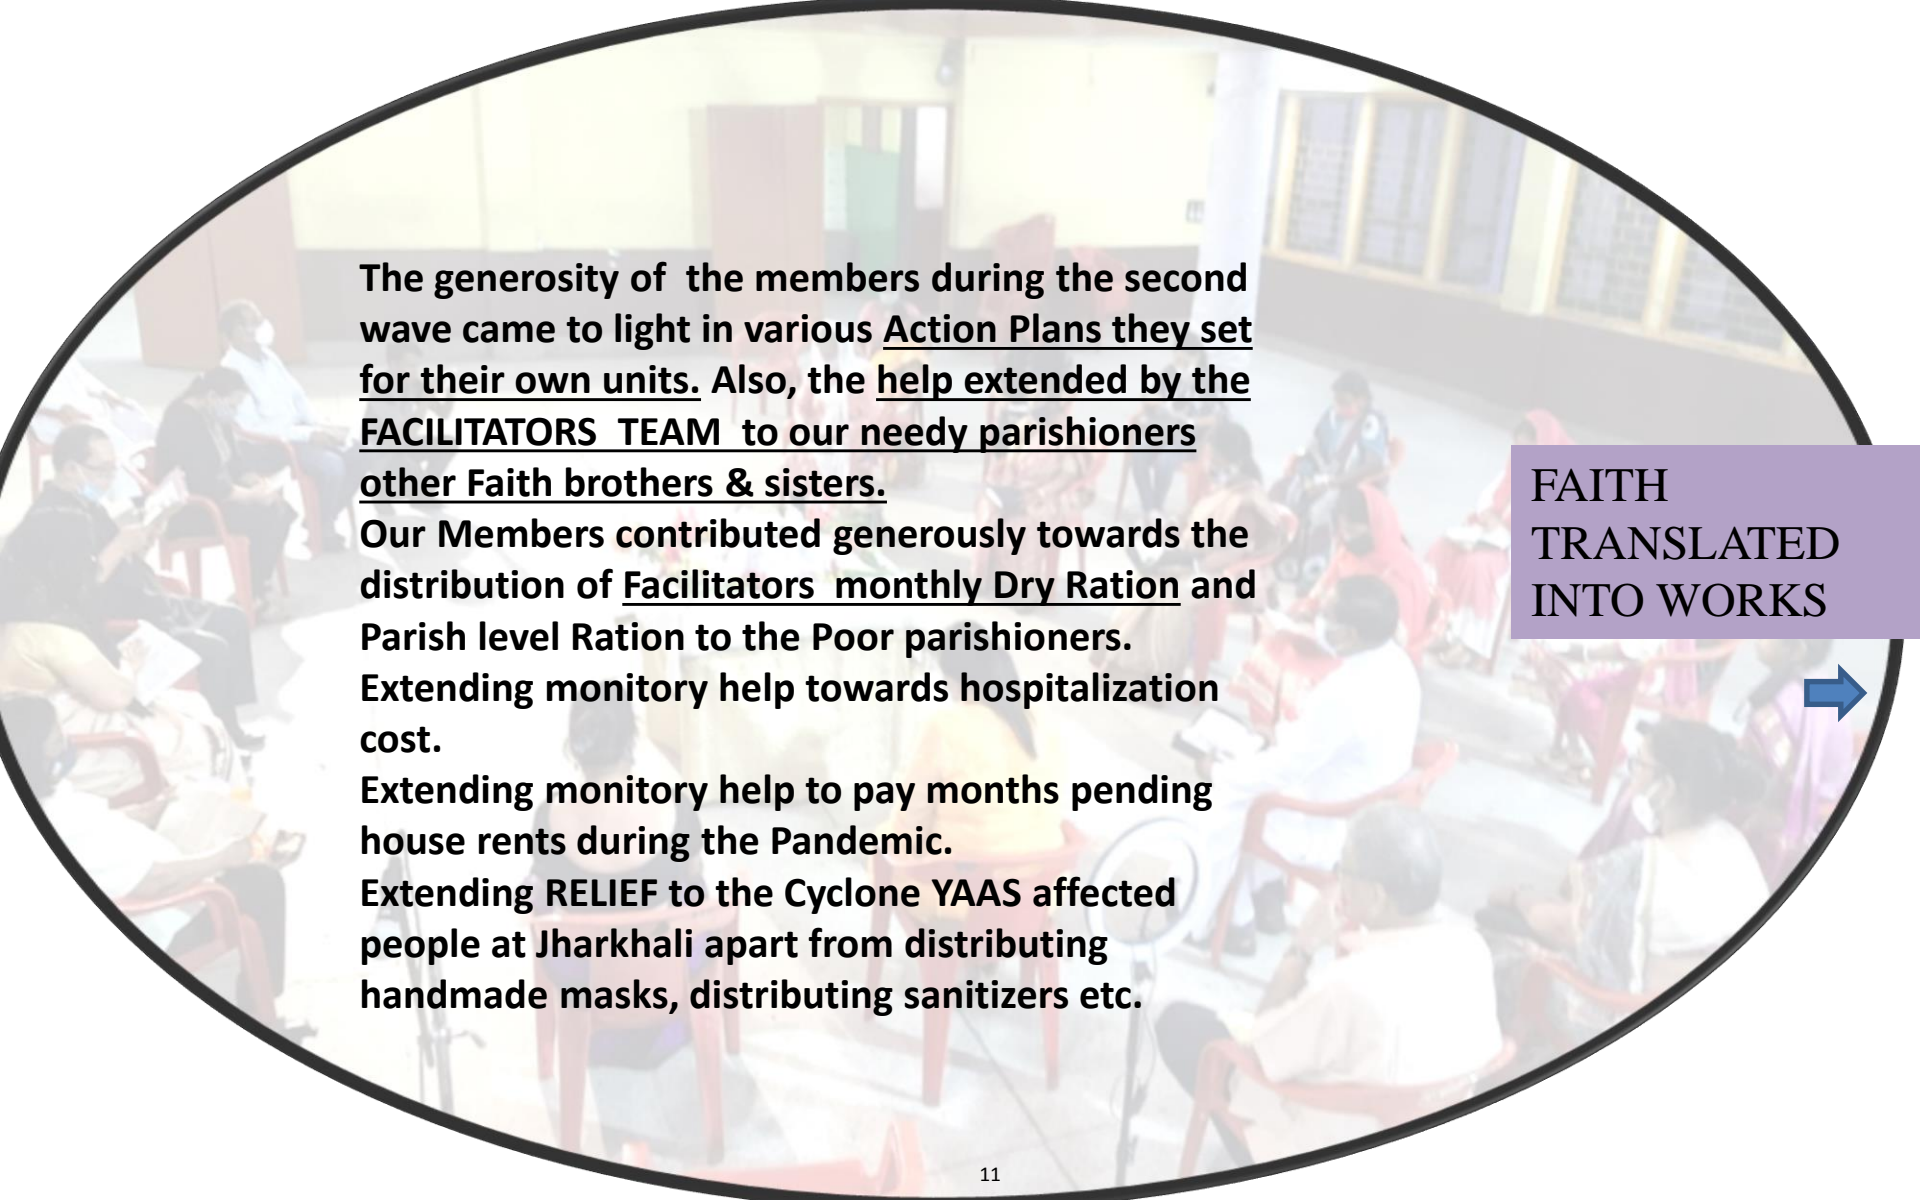

The background of the slide is a faded, oval-shaped image of a church service. People are seated in rows of pews, some looking towards the front. The text is overlaid on this image.

## **THE SECOND WAVE**

**Just as first onset of the Pandemic brought additional devastation in West Bengal with the coming of cyclone Amphan; so did the Second Wave come with the Cyclone YAAS devastating many coastal regions. Many of us were the victims of the pandemic and many have also lost their own. Nothing could stop the spirit of SCC going, we had ongoing online gospel sharing as and when required along with the Physical Gospel sharing.**

The generosity of the members during the second wave came to light in various Action Plans they set for their own units. Also, the help extended by the FACILITATORS TEAM to our needy parishioners other Faith brothers & sisters.

Our Members contributed generously towards the distribution of Facilitators monthly Dry Ration and Parish level Ration to the Poor parishioners.

Extending monetary help towards hospitalization cost.

Extending monetary help to pay months pending house rents during the Pandemic.

Extending RELIEF to the Cyclone YAAS affected people at Jharkhali apart from distributing handmade masks, distributing sanitizers etc.

FAITH  
TRANSLATED  
INTO WORKS

**We have Started monthly SCC Mass and also re started our first Friday Adoration and Area Mass maintaining the Covid protocol.**

**This Pandemic has opened the doors to evangelize in a new way.**

**The Commandment of “Love your neighbor as yourself” reflects strongly in our SCC unit of Christ the King.**

**WE ARE ONE  
BODY OF CHRIST**

***As St James in his letter says “So Faith by itself, if it has no works , is dead”. We are all morally responsible to translate the Word of God into our deeds. And we the SCCs have been able to live the Word.***
